

# Best Budget-Friendly Wedding Planning Agency 2023 – Italy

**Best Wedding Italy is a Venice based wedding planning agency operating throughout the country as a provider of tranquil destination weddings for clients. Fully customisable options are available to suit all budgets and desires, as the company works closely with trusted operators to ensure everything goes perfectly to plan. It wants to make wishes come true for all its valued customers by designing and realising every detailed aspect of their special day.**

Imagine gazing at the crystal-clear waters of Lake Garda, a stroll amidst the beautiful vineyards of Verona or a gentle glide along the water in a boat traversing the Grand Canal in Venice. These dream romantic settings could be a reality for couples seeking the perfect destination wedding through Best Wedding Italy.

Best Wedding Italy is a wedding planning agency based near the historic city of Venice, but experienced in arranging weddings all over its beautiful country. It works predominantly with English speaking clients from the UK, USA, Canada, and Australia, but will happily entertain clients from any far-flung corners of the globe. Previous clients have included couples hailing from Brazil, Peru, Sweden, Norway, Russia, China, India, Thailand, Nigeria, South Africa, and New Zealand.

Its mission is to organise weddings based solely on its clients' own needs. It has no intention of pushing anyone to adapt their dreams, rather it will tailor its wedding packages to suit the happy couple completely. As knowledgeable professionals, Best Wedding Italy chooses only the best vendors and venues to partner with. Each and every place chosen is rigorously tested, with the company cognisant of how its own image and values will be reflected in each wedding it organises and plans.

The COVID-19 pandemic had an understandably strong impact on business for the company, with bookings affected for over a year. What Best Wedding Italy counts itself lucky about, though, is that few of its clients lost their wanderlust. It found the biggest challenge was rescheduling the pandemic-forced cancellations alongside the new post-pandemic customer bookings. This demand meant 2022 was a year packed full of weddings, a trend it is expecting will continue

through 2023 and 2024. In fact, May 2024 is already fully booked, which is a great sign things are heading back in the right direction.

Italy has such a special place in people's hearts, often clients don't even require extensive descriptions of places. They can clearly imagine the landscape with nothing but a few sparse words. These are places they are dreaming of, after all. Luckily, Best Wedding Italy has a huge selection of vendors from all over the country, each guaranteed to provide the best service to clients. The company knows how important it is to carefully consider clients' budgets when planning a destination wedding. It ensures its customers are put at the centre of all decision making, and that it offers a range of different wedding options to suit all. It can organise big, luxury events in exclusive places, or small, intimate weddings in romantic but unknown venues.

From Lake Como to Tuscany, small country houses, to luxurious hotels, Best Wedding Italy's team are experts in architecting the perfect place for a beautiful wedding to remember. Perhaps something off the beaten track in the heart of Italy, Umbria, is just the ticket. Or maybe the ideal wedding requires a sea view? Then Best Wedding Italy might direct you to explore an Amalfi Coast option, overlooking the Tyrrhenian Sea. Whatever the client wants, its dedicated and well-trained staff are happy to provide. It has a legal interpreter, German and Spanish speaking staff, an internal travel agent, and an in-house lighting and design technician. Between them, Best Wedding Italy's staff will be able to take care of its customers' every need for the perfect wedding.

Best Wedding Italy is now the recipient of the title Best Budget-Friendly Wedding Planning Agency 2023 – Italy. This prestigious award

honours an amazing destination wedding company who work so hard behind the scenes to make dreams come true. This time, it gets the congratulations!
